

# Right Foot Red

Right Foot Red has been described by clients, fans and planners alike as "the ultimate party band." Based out of Baltimore, MD, Right Foot Red has been bringing their unique brand of oldies and R&B, seventies funk and disco, eighties pop, and nineties and modern rock to satisfied wedding, corporate and college clients since 2002. With the ability to fit the mood and style of any event by performing in formal suits or something more "funky" (like 70s disco costumes), Right Foot Red has the versatility to fit into virtually any setting.

Right Foot Red appeals to everyone - young, old, and in between. Known all over their native Baltimore for their innate knack for keeping the dance floor packed from start to finish, their nightly setlist includes everything from the Beatles to Barry White to Bon Jovi to Maroon 5, all performed with a virtuosic approach to their instruments and harmony vocals that satisfy the most discerning ear.

With hundreds of shows under their belt and a consistently busy schedule, Right Foot Red continues to grow in popularity up and down the mid-Atlantic and Southeast. Be the next satisfied client to dance the night away with Right Foot Red.
