Wedding Reception Review – Harrisburg, PA - 06/18/2016 - Rob Ciancaglini <rciancaglini@me.com>

Hi Bill!

My wife and I cannot thank you enough for the show you put on. You guys were absolutely incredible. My only regret is that the party wasn't a few hours longer! I've had several guests say how amazing the band was and that this was BY FAR, the best dance party they've ever seen at a wedding. You all are true professionals and really know how to throw a party.

We are actually on our way to the honeymoon, but when we get back is there anywhere we could write a review? Corinne and I can't recommend you guys enough and we would really like to do everything we can to make sure you guys are at every wedding that we ever have a chance of attending.

Thank you so, so much,

Rob Ciancaglini

Private Party Review – Severna Park, MD - 06/11/2016: The band played for our community event - they were playing to a mixed age range and did a good job of appealing to all. Very professional, sounded great and got people up to dance! Thank you so much! I had lots of positive feedback about the band from our guests.

Private Party Review - Annapolis, MD - 06/17/2015: We were all AMAZED by the quality of this band! I would highly recommend. They are beyond accommodating given I confirmed the party the day before. They will not disappoint! Every single person in the party made excellent comments about the music and the performance. No details left behind. They arrived with plenty of time to setup, were very courteous with our guests and absolutely rocked it! We know the crowd and it's not easy to get them dancing. By the end of the night everybody was dancing. They are worth every penny and double that! We will surely be hiring again in the future and so will our guests! - **Barbara C**

Wedding – Washington, DC - 10/10/2014 - Not originally from DC and having no prior knowledge of bands or musical talent in the area, we started a Google search and found Gig Masters. With nothing to really go on but some photos and a video, we booked The Exclusives for our October wedding. We had a few specific song requests and the band was able to learn those songs and perform them beautifully at the wedding. As for the singing, music, and overall experience....they were AMAZING! To be honest...I think our guests enjoyed the music more than anything else! It was a great experience and they are phenomenal! We had no prior frame of reference and were blown away by their talent! Book them for sure! - Alfreda Walker

Private Party Review – Washington, DC - 01/05/14: - In short, we could not have been happier with the performance you all put on in The Rye Bar. The music selection was perfect and we received many comments from guests about how well you all performed. As you can imagine, it is somewhat nerve racking selecting music for our first New Year's Eve party, but you all quickly put me at ease with your professionalism and first class performance. Thank you again, and we will certainly be in touch for any future performances.
Best Regards,

Wedding – Winchester, VA - 05/11/2013 - The Exclusives, in particular band leader Bill Harris, helped create a perfect evening for my wife and me for our post-wedding party. All along the way, the band made sure that our specific desires were met, from the particular setup (we wanted a concert-like environment and extra horns) to the specific songs (we requested a few songs that they learned and played very well). Everyone was jamming to this group, and they really tore it down! They made the whole party lively, without unnecessarily 'taking over'. The first dance song was sung beautifully by the female vocalist, too! I would book The Exclusives again in a heartbeat, and definitely recommend them! **-Benjamin R, Winchester, VA**

They were professional and dressed very nice!! I would use them again in a heartbeat!!! We had the band play for a retirement Party and music selection was very appropriate **-Odetta J, Glen Allen, VA**

Wedding – Mt. Vernon, VA - 11/11/2012 - It has been two weeks since our wedding and everyone is still raving about the band. Everyone has told me that they loved the music, the energy, and the class of Exclusives Band & Show. We had over 130 guests for our cocktail hour and reception, and the band had every one feeling great. I was incredibly pleased by the band's professionalism and generosity. They went out of their way to ensure the evening was flawless. They were punctual, accommodating, polite, and wonderfully entertaining! I highly recommend Exclusives Band & Show for your next event, because we will be using them for ours! - **Rhonda C, Mount Vernon, VA**

Wedding – Gettysburg, PA - 10/13/2012 - This band is incredible. They performed at our wedding, and were one of the great highlights of the event. They accommodated a last minute schedule change, did a great job with MC, announcements, and engaging our guests, and most importantly, are a tremendous collection of honestly professional caliber musicians. From the moment they struck their first note to the final chord we had a great time, and they got all the wall flowers out and dancing for hours. Another very positive aspect of the band is that they accomplished all this enthusiasm and excitement while never drowning out conversation or forcing anyone to shout to speak. True consummate professionals. **-Joel U, Gettysburg, PA**

Wedding – Leonardtown, MD - 09/12/2012 - The exclusives were absolutely incredible! They were so accommodating and easy to work with leading up to the wedding and so fantastic on the wedding day. They kept the crowd dancing and entertained all night, I think we got more compliments on the band than anything else. They worked with us on all of our last minute changes to help keep our stress levels down. We could not have picked a better band. Their live performances are amazing! Such a great band and great group of people to work with. We cannot recommend them enough. Thank you Exclusives! Megan and Marc **-Marc C, Leonardtown, MD**
